Station Mangalore, *Dated the* 15th March, 1928.

From (Name) E. M. Gawne, Esquire, I.C.S.,

(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Law (General) Department,

Madras.

Sir,

The jurisdiction of the Panchayat Court at Tonse East in the Udipi Taluk of this District as revised under G.O. No. Misc. 3151, Law (General) Department dated 7-10-1927 extends over Tonse East and Uppur villages. The residents of Uppur now represent that a separate court should be constituted for Uppur village. The reason put forward is that the village is surrounded by water on three sides during the monsoon, that they have to pay heavy ferry charges and that often, they are unable to cross over to Tonse East owing to swollen rivers. That the village is nearly surrounded by rivers is true, though I think the petitioners exaggerate the difficulty

of crossing them in the monsoon. However the desire for a separate court is genuine. I accordingly recommend the abolition of the Tonse East Panchayat Court as at present constituted and the formation of two courts, one for each village. A rent free building is also available at Uppur. These proposals may be approved to have effect from 1-7-28.

2. The necessary notifications are enclosed.

Your obedient servant,

Collector.
